

## **Attention Parents!**

Do you want to learn more about your school?

Do you want to make a difference?

You can get more involved with the education of your child by joining one or more of these important groups on campus.

### **1. School Site Council (SSC)**

This group of staff members, parents, and students oversees categorical budgets and approves the site action plan. The SSC meets after school once a month.

### **2. Title I/DAC Parent Committee**

A federal program that provides funding for students who qualify based on low-economic status and low test scores.

### **3. ELAC Parent Committee**

A group of parents of students who have a first language other than English.

Serving on these groups does not require any specialized knowledge. We need parents like you on these groups to share your expertise about being a parent and about what you would like to see happening in our school to benefit your child.

Please consider joining one or more of these informative and important groups.

For more information please contact our Categorical Office at (619) 498-6040.
